Keeping track of just the select few that are relevant to you is hard Theyre mainly focused on national holidays and sporting events, but you can find calendars for everything from Xbox game releases to NASAs launch schedule.. In Google Calendar, for example, youll click on the dropdown arrow next to Other Calendars and select Add by URL.. You can subscribe to them with your favorite calendar app, like Google Calendar or iCal, and not have to worry about manually adding those events yourself.. Your wedding anniversary, local ice hockey games, birthdays, film releases, national holidaysthe list goes on.. All the calendars use the iCal format, which is basically universal To add a calendar, right-click on the Subscribe to Calendar button and click Copy Link.

Whenever it gets updated, youll get the new events automatically
